

About Lisa

Hey there, I'm Lisa!

I am 25 years old and I am a handbalancer, yogi and gymnastics coach.

Since June 2018 I am travelling the world together with my partner, a professional photographer, in our old Volkswagen Bully.

On our way on the road we capture beautiful handstand and yoga poses at the most stunning landscapes and cities we are passing and put a lot of love and effort into our work.

As an influencer on Instagram I primarily like to convey the way of a sportive lifestyle, give a view into the life as a traveller, make people aware of environmental sustainability and just spreading good vibes.

Let's collaborate!

Sustainability is one of the key issues in my life. Therefore I love to work with fairtrade and eco-friendly companies to spread their intentions in sustainability with my audience.
